

MainWindow::MainWindow

```
graph LR; A[MainWindow::MainWindow] --> B[AccelerationChart::getChartView]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'MainWindow::MainWindow'. The right box is gray with a black border and contains the text 'AccelerationChart::' on the top line and 'getChartView' on the bottom line.
