

TcpServ::sendData

```
graph LR; A[TcpServ::sendData] --> B[TcpServ::sendDataToSocket]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'TcpServ::sendData'. The right box is gray with a black border and contains the text 'TcpServ::sendDataToSocket'. The arrow points from the right side of the first box to the left side of the second box.

TcpServ::sendDataToSocket
